

Te Pae Christchurch Live

THE FINEST IN LIVE ENTERTAINMENT

Te Pae Christchurch Convention Centre is a new generation, international standard venue providing state-of-the-art facilities and equipment to ignite your event.

The centre has two great spaces that lend themselves perfectly to live entertainment – the Auditorium and the Halls.

Each event space features:

- State-of-the-art technical infrastructure to support a diverse range of first-class entertainment opportunities
- Extensive rigging options throughout the entire venue
- Comprehensive external and internal LED signage, as well as external and internal signage and branding opportunities
- Perfectly synchronised audio and visual live web streaming capabilities
- Easy access for patrons to the venue, and internal event spaces.

With excellent resources and dedicated staff, Te Pae Christchurch is ideally placed to host a wide array of dynamic live entertainment events.

Te Pae Christchurch is proudly managed by ASM Global, one of the world's leading venue management and services companies.

1,400

tiered auditorium seats divisible into 2x700 seats

2,900

patron seating capacity in the Halls

For more information please contact:

Brad Isherwood – Business Development Executive

T: +64 3 266 1414 | E: bisherwood@tepae.co.nz

Brad will confirm by email any requested date avails and expression of interest in particular event dates.

All arrangements are considered tentative until a contract has been signed and a deposit paid. Event tickets will only be released for sale when the venue hire agreements has been signed by both parties.

THE AUDITORIUM

Catering for up to 1,400 guests, Te Pae Christchurch’s Auditorium offers a unique performance space to host musical performances, comedy and speaker events. It is an adaptable and flexible space equipped with state-of-the-art technology and rigging facilities. Our Auditorium can be split into two identical event spaces with 700 tiered seats in each composite space to accommodate smaller ticketed events.

Key features include:

- Tiered seating with wide access aisles
- Comfortable upholstered seating
